What are YOUR gifts? What TALENTS did God give to YOU that you may be willing to share with others at St. Joseph's? We invite you to pray about those questions and review the many opportunities offered to explore/share your gifts and talents. Some of these wonderful ministries are a one-time option while others are longer term. All you need to do is inform us as to what you MAY be willing to share your talent and time with. When we have the information, we give you a call! A complete list of ministries and ministry summaries can be found on our webpage www.stjosephscharlton.com If you see a need and there is no ministry or volunteer opportunity listed, PLEASE contact Fr. Bob or Fr. Jonathan at parish office: (508) 248-7862. Return by offertory basket or drop off at the parish office. Questions, please call/email Patricia Kasierski at (508)248-5439 or pkasierski@gmail.com
